

ART CLAY™ SILVER Basic Instruction Guide #081

Pink Ribbon Project: Pink Ribbon Pendant with UV Resin

Level: Basic/ Intermediate

<Materials>

Art Clay Silver Clay Type	5g
Art Clay Silver Syringe Type with a 1.5mm thick nozzle	A small amount
Clear UV resin	A small amount
Resin color white	A small amount
Resin color cherry	A small amount
Any chain you like	1pc

<Tools>

Cooking sheet, a pair of 1mm thick plastic strips, roller, sponge sanding pad (#320-600), medium fine file, burnisher, tooth pick, craft knife

Completed piece

<Step by Step Guide>

1) Roll out the clay 1mm thick with a roller and a pair of 1mm thick plastic strips.

2) Place the pattern on the clay, cut out with a craft knife, and dry once.

3) Shape it gently with a medium fine file and smooth the surface with a red sponge sanding pad.

4) Draw the outline using the syringe with 1.5mm thick nozzle, dry and fire.

5) Polish with a stainless steel brush and make a mirror finish on the outline with a burnisher.

6) Make pink by mixing clear UV resin, resin color cherry and white, and apply on the matte finish surface with a toothpick.

7) Mix clear UV resin and the resin color white, draw polka dots on the background with a toothpick, and cure the piece in UV light box.

8) Put another layer of clear UV resin on the surface, cure again and finish.
