

Jumble Alphabet Pendant

Material and Tool

Art Clay Silver Clay type 7g
Art Clay Silver Paste type small amount
Paint brush
Art Clay Exclusive Alphabet Softmold
Flat screw eye 1pc
Round jump ring 1pc
Spatula
Firing tools

With ACS Clay type 7g, Make a frame (2mm thickness, 2.5mm high). Attach a flat screw eye while the clay is soft.

After you made a frame, you have still some extra clay left. Make some alphabet charms with Art Clay Exclusive Alphabet softmold. and dry them.

Place those alphabet charms and attach them with Art Clay Silver Paste type. Dry it and fire it for 5 mins.

Attach a round jump ring and a chain. It is ready to wear!
